RE: Sample Ballot for November 6, 2018 General Election

To try and keep things simple, we are only putting one sample ballot on the web-site instead of all 24 ballots for Taylor County. The sample ballot we have attached is one for a voter who lives in the first magisterial district, lives in the city limits and lives in the Campbellsville Independent School district. The ballot will have races on both sides of the ballot.

The differences between the other ballots would be:

1. Different Magistrate and Constable Districts depending on which District you live in.
2. If you live in a Taylor County School District, then you would have different names for those school board races.
3. If you do not live in the city limits then you will not have the race for Mayor and City Council on your ballot.

A complete list of all the candidates names that will be on the ballot was in the Thursday October 25th edition of the Central Kentucky News Journal, which all households in Taylor County received.

If you have any questions feel free to call our office at 270-465-6677 or if you would like to have a sample ballot for your particular precinct then come by the office or call us and we can text you a copy or e:mail you one.

Respectfully,

Mark Carney, Taylor County Clerk
