

Title Watch

How to register for Title Watch in Taylor County

Users must register an account on the website. The phone number and email you register with will be the number/email you will receive notifications to.

To create a title watch account, you will go to the website:

<https://www.americanlandrecords.com/dashboard>

1. On the left-hand side go to "Title Watch" and then "Create"
2. Read and accept the Terms of Service (TOS) and choose your desired county
3. Fill out the form and submit it
4. An email will be sent to the email address you enter. You will need to verify the account with that email once it arrives
5. Log into your account. You can then set up the account with the parameters you want the system to use to notify you of a transaction that has taken place.

You can scan the bar code below with your smart phone to sign up using your phone.
